38. LIAISON Met with David Bushong, Senate Select Committee on Intelligence staff, and Bill Miller, Committee Staff Director, regarding cables I delivered regarding drug trafficking in Panama. Bushong asked me about certain sanitizations from the cables. I assured him, after checking with DDO, that the sanitizations were not additional references. He did, however, request two cables that were referenced in one of those delivered today. I also discussed with him his previous request for ratings and instructions on intelligence. He told me the specific ratings meeded were on reports sent to the Committee by the 10 October 1977 letter from Both Bushong and Miller were quite concerned about one cable which presented alternative possible U.S. actions to combat drug trafficking in Panama.
